PRODUCER · ELECTRONIC · VOLOS

SELECTED BY FUORIONDA · FOUNDED ARTIST

IMANTZINATION is a Greek electronic music producer creating a distinctive sound where Mediterranean soul meets electronic imagination. Based in Volos, Greece, his music blends organic and ethnic instrumentation, cinematic atmospheres, emotive melodies and progressive electronic production. Drawing inspiration from Greek and Mediterranean musical heritage, he transforms traditional colors and textures into contemporary electronic journeys built for both emotion and the dancefloor. Moving through Organic House, Afro House and Progressive Electronic music, IMANTZINATION is defined less by genre than by a consistent musical identity: warmth, atmosphere, rhythm and storytelling. His growing international catalogue includes releases and collaborations with Cafe De Anatolia REC, G-Mafia Records, Make Waves and Mustache Crew Records. In 2026, "Ayla," his collaboration with Cafe De Anatolia and ZE7DD, marked a defining step in the evolution of his Mediterranean electronic sound. For IMANTZINATION, electronic music is more than a genre — it is a journey connecting memory, culture and emotion with the energy of contemporary electronic music. Mediterranean soul. Electronic imagination.
